On November 21st the Howell Township Council adopted a resolution to support a Property Tax Rewards Program that would be implemented as part of a Shop Local/Shop Howell Campaign. The program would provide a discount on property taxes to Howell residents. This is an opportunity for Howell residents to reduce their property tax bill while supporting local participating businesses. Each business will determine their discount/rebate amount which would then be credited to the resident's tax bill.

More details to follow including start date.
